

To all Members: April 2009

Since the Spring Voter Newsletter schedule coincided with the distribution of the Annual Meeting packet, we wanted to take advantage of the situation. By distributing this letter with the packet, we have saved the production and mailing costs of a traditional newsletter. And, the information in this letter is also less likely to get lost amidst all of the other information being sent your way this busy spring!

In closing, (borrowed from the LWV Geneva/St. Charles, Illinois): *The League of Women Voters has a unique place in American political life. It is recognized as impartial and more than bi-partisan – it is beyond party politics. The League is valued by voters and by candidates and elected officials because it insists upon and makes possible the fair exchange and expression of views upon which democracy depends. Without it, our political life would be poorer, less open and less accessible. Anyone – man or woman – who wants to ensure the health of our political process, will find a home here.*

The Board of the LWV Cuyahoga Area works hard to uphold these ideals. And, throughout our work, we remain grateful to our members, as you help fulfill the League's purpose.

Respectfully,

The Board of The LWV Cuyahoga Area
